School and Community

MSMHS, established in September 2011, is a 9-12, public magnet school operated by LEARN. In Fall 2014, MSMHS reached max capacity with 271 students who are accepted through an open, non-merit based lottery that currently draws from 32 different middle schools. In 2013, '14, & '16, MSMHS was awarded the State Department of Education School of Distinction Award for the Highest Overall Performance. MSMHS ranks tops in the state amongst all public high school on both state standardized tests: Science CAPT (1st in '17) and the ELA Section of the SAT (3rd in '16). MSMHS has been recognized by US News & World Report as a Silver Medal High School, by Washington Post as the 7th most challenging high school in Connecticut and Newsweek ranked MSMHS as one of the top 500 high schools in the nation. In August 2016, MSMHS received full accreditation with the New England Association of Schools and Colleges (NEASC). MSMHS offers an extensive array of marine science themed programs and opportunities, as well as academically rigorous college preparatory opportunities that meet the needs of all students. Freshmen are heterogeneously placed in college-prep courses. Sophomore year, advanced levels of study are offered in Honors Algebra II and English II, ECE World Maritime History, and AP Environmental Science. Junior year, students enroll in AP and UConn Early College Experience (ECE) courses. Students must take foundational science courses that prepare them for AP and ECE science courses offered junior and senior year. Students participate in CIAC athletic programs at their sending district's high school.

MSMHS Core Values and Beliefs Statement

MSMHS is a safe, respectful and nurturing environment. The MSMHS Family believes that *effort creates ability* and that *all students can succeed*. Our learning community is committed to innovative instruction that promotes effort and ensures academic rigor through a curriculum responsive to our diverse student body. Furthermore, the MSMHS community collaborates with all members to prepare students for post-secondary education by supporting the personal, academic, and career goals of every student. MSMHS inspires students to develop the mindset and character needed to be active stewards of the ocean and contributing citizens in a global community.
