Don't Forget to Buy Your Yearbook!

The MSMHS Yearbook Club wants to remind everyone that yearbooks are still for sale at [Jostens.com](https://www.jostens.com) for \$80. Seniors will be given a yearbook for free, but everyone else is encouraged to purchase one. Yearbooks are the perfect way to remember all your favorite high school moments and memories!

Families of seniors, this is also a reminder that parent ad submissions for the yearbook are due on January 28th.

What is a Parent Ad?

Parent ads are a way for family and friends to surprise and honor seniors by creating a personalized message and adding your own photos. To complete a parent ad, you must create an account with Jostens Ad Service and enter Marine Science Magnet High School as your location. It's a great way to support your seniors and make the yearbook even more special! Create your ad online at www.jostensadservice.com.

Red Cross Blood Drive

MSMHS is hosting a blood drive on Wednesday, January 19th. The American Red Cross will set up in the Simulator room from 8am-1pm for any student or staff member that is eligible and wants to donate blood. Students may donate if they are 17-18 years old or older; students who are 16 years old need parent permission. If you do plan to donate blood, make sure you get a good night's sleep, eat breakfast and drink extra water in the days leading up to donating.

National Honor Society

Congratulations to the following Seniors who have been selected to join the MSMHS National Honor Society!

December Student of the Month

Makai Moore, *Mashantucket, CT*, has been voted as the MSMHS December SOM. Makai's teachers describe him as someone who always goes above and beyond and his efforts in the classroom are inspiring to others. He is always looking to help his peers and his teachers. He is a great leader and someone

that his classmates look up to. As a sophomore, Makai is serving his second year on Student Council and has been an advocate his classmates. Congratulations Makai!
