SAT State Testing Day in Four Weeks

SAT

GROTON, CT - On Tuesday, April 9th, the preparation and hard work will be tested as our juniors take the state standardized exam, the SAT. Across the state, all high school juniors will be taking the SAT one of the two days that were given to schools. Moreover,

in an effort to cause the least disruptions for our test takers, freshman and sophomore students will be given a virtual Khan Academy assignment.

For the past several months, we have encouraged all of our juniors to utilize the free SAT prep on Khan Academy using their PSAT scores from the Fall. Last year, a majority of our current seniors were able to increase their PSAT scores by 100 points! In addition to Khan Academy, our teachers have been doing a great job preparing our students for success. We offer SAT Prep afterschool on Tuesdays and Thursday for all Juniors. Best of luck keeping MSMHS #1 in CT!
