

MSMHS FISH TALES

that are true from the desk of Dr. Spera

Week of March 18, 2019

DATE SET FOR GRADUATION: TUESDAY, JUNE 11, 2019

GROTON, CT - It is finally official! This is the official announcement of the date for the Class of 2019 Commencement Ceremony: June 11, 2019, 6 pm, United States Coast Guard Academy.

On Tuesday, June 11th at the USCGA at 6 pm will be the graduation for one of most academically successful classes at MSMHS. In keeping with tradition, the class of 2019 will use the slogan 'No Limits' on their class shield to commemorate this tremendous occasion.

Since the event will be held indoors, we do not have to worry about the weather. Leamy Hall at the USCGA allows each student to have enough seats to accommodate large groups of family and friends. This venue allows no limits/tickets for our families. We ask that any individual with hearing impairments in need of appropriate auxiliary aids and services should contact the main office prior to May 1, 2019 so that we can

ensure that all individuals can participate in and enjoy the graduation ceremony. Moreover, please contact us if anyone in your group of family and friends needs other special accommodations for the event. We want everyone to enjoy this event!

With the Commencement Ceremony now set for June 11th, we will now begin planning with our speakers including myself, our valedictorian and salutatorian, Dr. Howley, Class President, Scott Davidson, in delivering speeches to the MSMHS Family. Next week, we will announce the valedictorian and salutatorian. It is a close one!

It is incredible to think that we are 2 months, 24 days away from graduation. I would like to use a quote from *Ferris Bueller's Day Off* for advise to our seniors: "Life moves pretty fast. If you don't stop and look around for a while, you could miss it."

Ajia Brown Named Student of the Month

Junior Ajia Brown, Groton, is the February Student of the Month. This school year, Ajia became the second student to hold the titles of Student Body President and Class President. His work ethic and unbelievable kindness are attributes that allow him to excel as a leader inside and outside the classroom. Ajia is a high honors student who works extremely hard to maintain his high GPA that helped him become a member of the National Honor Society. His course schedule includes some of the most difficult courses at MSMHS: Pre-Calculus Honors, AP/ECE US History, AP/ECE English Literature, AP Computer Science Principles, ECE The Sea Around Us, and ECE Marine Science. Moreover, Ajia is a successful member of the Fitch High School Varsity Basketball Team where he was named 1st Team All-ECC. Moreover, Ajia was named the Captain of the Varsity Fitch Boy's Cross Country Team. Congrats Ajia!
