## 8th Annual MSMHS Lip Dub to Begin Filming Next Monday!

Juniors Elle Bergendahl & Ajia Brown return with the help of the entire MSMHS Family!

GROTON, CT - It is almost here! The 2018 MSMHS Lip Dub will begin school-wide filming next Monday, October 1st with all but two scenes being filmed at MSMHS. Dr. Spera and Lip Dub Director, Mr. 'Aquaman' Litvinoff have been busy planning one of the biggest annual events at MSMHS. Mr. L believes that this year's video will be the best ever. This year's Lip Dub will include several alumni, teacher, and student parts along with some of our partners including Project Oceanology. Most importantly, our second to none MSMHS Pride will be on display from all of us!

There is no other day like it. Every first school day in October at the Marine Science Magnet High School is the filming of the Lip Dub. The Lip Dub is a spirit filled celebration of MSMHS pride that is caught on video for all parents, students, staff, community and future students to view. This year's song for the Lip Dub is 'Colors' by Jason Derulo. We will be displaying our school colors the day of filming.

This will definitely be another great Lip Dub! We are reminding all of our students and parents to wear their navy, white, and red or any MSMHS gear next Monday! Please contact our main office if any student or parent wishes to purchase MSMHS 'merch'. New items will be available this week!
