Kindness Week April 4th –8th

The **Safe School Climate Committee** has been hard at work planning the 3rd annual MSMHS Kindness Week. This week was started two years ago by Guillem Colom who had the vision and hope that this week would be continued even after he graduated. This year, each day of the week will have a Kindness theme. Monday kicks off the week with the MSMHS Kindness Challenge—see if you can check off all 25 acts of kindness during the week! Students will also be participating

NO act of kindness
no matter how small
is ever wasted.

in lessons and activities on gratitude, being kind to yourself, pay it forward with kindness, and painting kind rocks! In conjunction with Kindness Week, **National Honor Society** and **Interact Club** are collaborating to host a drive to provide household and personal items to our local community. The drive will benefit Safe Futures, a social service organization in New London that offers resources to victims of domestic violence. Please consider donating the following items:

Freshmen: paper towels, toilet paper, all-purpose cleaner, Clorox wipes

Sophomores: bathroom/window cleaner, sponges, laundry/dish detergent

Juniors: shampoo/conditioner, deodorant, toothpaste/toothbrushes, body lotion/body wash

Seniors: hair brushes/combs, diapers/baby wipes, feminine hygiene products

Donations are recommended by grade but all grades are welcome to donate any items, along with gift cards to grocery stores, gas stations, or pharmacies.

Trivia Night

The MSMHS PTO is sponsoring a **FAMILY TRIVIA NIGHT** for all 9th and 10th graders!!! This event is FREE to participate in, simply sign up using the link in the Fish Tales email. Food and drinks will be for sale as part of a 9th grade class fundraiser, and the sophomores have put together some amazing raffle baskets. Hope to see you there!!

Only cash and checks will be accepted at the event for food and raffle tickets.

February SOM

Christina DeLa Cruz, New London, CT, was voted as the MSMHS February Student of the Month. Christina is in her Junior year and has been nominated several times for this recognition. She is praised by her teachers as someone who is always on task during class, helps

out her peers, and is eager to go the extra mile. She is looking forward to taking the new Black and Latino Studies course next year and has the goal of pursuing Forensics at Syracuse University after high school. Outside of school, Christina spends most of her free time with her siblings.
